REQUIREMENT OF ALLOWANCE UNDER 37 CFR §§ 1.801-1.809

1. The Deposit Statements filed 29 May 2003 and 9 January 2004 are deemed in accordance with 37 CFR §§ 1.801-1.809. Therefore, no 35 USC § 112, first paragraph rejection has been maintained even though it is apparent that 8D-5079 and W83049*8D-5079 cucumber seed is essential to the claimed invention and that the deposit is necessary for an adequate written description and enablement for the claimed invention.

Since the application is otherwise in condition for allowance except for the needed deposit of 8D-5079 and W83049*8D-5079 seed and since the Office has received written assurance that an acceptable deposit will be made on or before payment of the issue fee, the Office is authorized to mail Applicant a Notice of Allowance and Issue Fee Due together with a requirement that the needed deposit be made within THREE (3) MONTHS of the mail date of this letter (see 37 CFR § 1.809(c)).

Under 37 CFR § 1.809(c)(d) an applicant is required to make a deposit of seed within three months after the mailing date of the Notice Of Allowance and Issue Fee Due. The period for satisfying this requirement is extendible under ' 1.136, however, failure to make the needed deposit of seeds of 925847 will result in abandonment of the application for failure to prosecute. The deposit statement in the specification, and all claims which refer to the instant seeds by name, must be amended to include the deposit accession number. In the instant application claim 1 must be amended to recite the deposit accession number. These amendments should be submitted before the payment of the issue fee as an Amendment After Allowance under 37 CFR § 1.312. If the amendment is received after the payment of the issue fee the same should be made under the provisions of 37 CFR § 1.312(a) and a petition filed under 37 CFR § 1.183 to waive the requirement of 37 CFR § 1.312 that the amendment be filed before or with payment of the issue fee, that is, it must be accompanied by a fee in accordance with 37 CFR § 1.17(i) and a petition which includes "a showing of good and sufficient reasons why the amendment is necessary and was not earlier presented and why justice requires waiver of the rule". Finally, the statement of deposit in the specification shall contain:

- (1) The accession number for the deposit(s);
- (2) The date of the deposit(s);
- (3) A description of the deposited biological material sufficient to specifically identify and to permit examination; and

(4) The name and address of the depository (see 37 CFR § 1.809(d)).

Examiner's Amendment

2. An extension of time under 37 CFR 1.136(a) is required in order to make an examiner's amendment that places this application in condition for allowance. During a telephone conversation conducted on 3 February 2004, Robert Jondle requested an extension of time for 1 MONTH(S) and authorized the Commissioner to charge Deposit Account No. 50-2368 the required fee of \$530 for this extension and authorized the following examiner's amendment. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.
